Donor Privacy Policy:

Our intention is to make you aware of our privacy policy and to inform you of the way your information is used. We also provide you with the opportunity to remove your name from our mailing list, if you desire to do so.

We collect and maintain the following types of donor information:

- Contact information (name, organization/church, address, e-mail, telephone number)
- Payment information (credit card/bank numbers, expiration dates, and gift amounts)
- Connection information (how you heard the ministry, how you support the ministry)
- Requests to receive periodic updates (newsletters, appeals, prayer concerns, e-mails)

Sanctuary in Trauma uses your information to understand your needs and provide you with better service as a supporter. Specifically, we use the credit card information you provide to complete the desired transaction. Upon successfully processing the transaction, we do not retain the full credit card number or expiration date. However, if you request a recurring series of transactions, the necessary credit card information is securely stored until the pledge/gifts have been completed and the credit card number and expiration date are destroyed.

We will retain the mailing address and e-mail address(es) provided to communicate with you and provide ministry updates. We use any comments you offer or requests you make to respond with the appropriate information or cease certain forms of communication, as you so desire.

Sanctuary in Trauma will not sell, rent, give, or lease your personal information to other organizations or individuals for any reason whatsoever. We will not share your personal contact information with any person(s) within the ministry beyond the ministry's development and leadership team. Use of donor information will be strictly limited to the internal maintenance of ministry records and only to further the ministry activities and purposes of the ministry.
